Defensive Driving Virtual Training  
Third day added - Friday, November 4, 2022**

---

Due to high demand, The New Jersey Community Transportation Training Program (NJCTTP) is proud to present a third Defensive Driving Virtual Training on Friday, November 4, 2022.

Defensive driving is driving to avoid any accidents or risks caused by other drivers or hazards such as weather, road conditions or traffic/pedestrian congestion. The operator of a bus or van needs to be aware of the responsibilities of professional defensive driving and the importance of safety transporting others as well as special considerations of vans and buses including starting, stopping, blind spots, pre-trip, cushion of safety, hazards, etc.

- Workshop Date:** November 4, 2022  
**Workshop Time:** 9:30 am – 12:30 pm  
**Workshop Location:** Virtual  
**Trainer:** Michael R. Noel  
**Training Needs:** Individuals taking the training must have a reliable computer and internet service.  
**Attendees:** Managers, supervisors, transit operators, dispatchers, administrative personnel, and trainers – anyone who operates buses, supervises operators, trains operators, etc.
