PASS Train-the-Trainer Certification Course  
October 27 and 28, 2022**

---

The New Jersey Community Transportation Training Program (NJCTTP) is sponsoring the CTAA (Community Transportation Association of America) PASS Train-the-Trainer Course in Cumberland County on October 27<sup>th</sup> and 28<sup>th</sup>.

CTAA's Passenger Assistance, Safety and Sensitivity (PASS) driver training program is the recognized industry standard when it comes to ensuring that your passengers are transported in the most safe, sensitive and careful manner possible.

PASS is ideal for non-emergency medical transportation (NEMT) trips, for ADA paratransit services, for specialized transit for older passengers, for human and social service riders – really any transportation operation where the passengers require extra care.

PASS trained drivers know how to safely and sensitively transport everyone.

All attendees will need to complete prerequisite courses before attending the in-person classes. Those who complete this training will be certified to train drivers in the PASS driver training program.
