

Updates to Title VI Plan and CHSTP

My name is Brian Joseph Miguel formerly Grants Administrator with Community Transportation. Recently, I have been given the opportunity to move into a new role within the Local Programs Department as the Senior Coordination Administrator. While part of my duties will be to further develop our internal subrecipient module, S-RIDES, the main scope of my work will revolve around assisting in the development of agency Title VI Plans as well as county Coordinated Human Services Transportation Plans.

Part of my strategy is to attend all coordination meetings to offer guidance in updating and/or further developing your plan and determine that the plan(s) meet federal and state standards.

Over the course of the next few weeks, I will be reaching out to you regarding your Title VI Plan or your CHSTP, or both. I will be using your most recent Section 5310 and/or SCDRTAP applications as a point of reference to review how recent your Title VI Plan and CHSTP is and to determine who will need immediate attention.

If you have any questions regarding this matter, please feel free to contact me via my desk phone: (973) 491-8576, my cell phone: (973) 573-9592, and/or my e-mail: bmiguel@njtransit.com.

Thank you and I look forward to working with you.
